- PERIPHERY

At the bottom, there are several buttons: MINOR PROCEDURES, ADD MEDICATIONS, PROG NOTE, EX, ORDERS, SEND EMAIL, EXIT WITHOUT SAVING, VIEW IMAGES, SAVE EXAM, fu 1 week, fu 1 month, View Notes, message, Delete This Exam, PRINT LETTER ONLY, PRINT LETTER & EXAM, LENS, POWER, SN, SEND NOTE TO SCHEDULER OTHER EYE, PRINT EXAM DOCUMENT ONLY, SAVE/SIGN/EXIT, SAVE EXIT.

- 1) The surgery date should be completed using the drop down arrow. Choose the date from the calendar.
 - 2) The reason for the visit/chief complaint can be populated with a single click.
 - 3) Vision can be populated from a choice list with a double click on UCVA, PHVA, or ccVA.
 - 4) These choice boxes can be customized per doctor with medication instructions. Special Note User should still manage medications using ADD MEDICATIONS button.
 - 5) These choice boxes can be customized per doctor with follow up/post op instructions that the doctor gives to patients.
 - 6) Click on LOAD NORMALS to load previously customized exam defaults.
 - 7) Manifest can be populated by double clicking on MR.
 - 8) To move to the single screen exam single click on GO TO GENERAL EXAM FORM.
 - 9) The LENS, POWER and SN (serial number) boxes will fill with information from ACPT (Advanced Cataract Planning Tool)
- The gray buttons across the bottom of the screen will take you to different areas of the exam.
