

Core Measure #8: Clinical Summaries

Attestation threshold: Clinical Summaries provided to patients or patient-authorized representatives within one business day for more than 50 percent of office visits.

1. The Clinical Summary is generated automatically for patients with **EMAIL IN THE SYSTEM** as long as the **CHART IS SIGNED BY MIDNIGHT**.
2. **TO GENERATE CLINICAL SUMMARIES (IE if the chart may not be signed by midnight...)**
 - a. **From Schedule View (Signed or Not Signed):**
 - i. Access Schedule View | highlight the **Patient Name** from the Schedule | select the button **Print CS** to open the HTML Editor screen
 - ii. the Clinical Summary can be printed for the patient from this screen
 - iii. the Clinical Summary will also be automatically sent to the patient portal if an email address is defined in the MU Work Up Screen
 - iv. **Note:** If created already today a new one will NOT be regenerated.
